

Install/Use Copilot

Convention one-time use (host/client side)

1. Go to <https://www.copilot.com/> and click on the receive help tab
2. Enter the invitation code given to you and press Go

3. Click yes to accept terms of service
4. In the window that says "Connect to Vicky Rowley", click on download now

5. Run the program you downloaded
6. Click Yes to allow Vicky Rowley to take over your computer

7. It will say "you are now connected to Fog Creek Copilot Service". You are done
